

EL SALVADOR DEL MUNDO (THE SAVIOR OF THE WORLD)

Feb. 15, 2010

Dear Friends and A.C.O.P. Family,

Thank you so much for praying for us as we were on our ministry trip to El Salvador, Central America. The Lord answered your prayers by watching over us in things like protection and helping us make connections while traveling as well as blessing in the services in which we ministered. Many came forward for prayer at the close of a service in the San Salvador church. In that service a couple of young teen girls came for special prayer. As Lorraine and I laid hands on them and prayed they were both touched by the Holy Spirit and one of them began to speak fluently in a new language as she praised and worshipped the Lord.

Bill, Juan & Maria.

Ministers from four nations.

Bill & Lorraine

We also had the privilege of participating in the dedication of the new structure that was built so that the church in Corinto Hacienda would have a place to worship. I believe there were over three hundred present for the dedication. One bus load came all the way from Jutiapa, Guatemala. During that service we also ordained Juan (with his wife, Maria) to the ministry. They have been ministering in this outreach work and will be shouldering the pastoral responsibilities. Pray for them, it will be a challenge but God is doing a real work and it is always a thrill to work with Him. It is always a challenge for our vehicles to get over the trails through the mountains and valleys just to get to the village but what a thrill it is to be there and see what God is doing in that whole community.

As usual we had good fellowship with the Lapka's in the times we had to be together with them. It was also good to have fellowship with the folks and pastor from a church in Wisconsin that has had a lot to do with helping get the building up in Corinto Hacienda.

Thank you again. Please continue praying for us. We want to be where the Lord wants us, doing what He wants us to do.

Thank you and God bless you,

Bill & Lorraine Lindberg
