

Happy Friday,

We have just posted our latest edition of our newsletter. You can access it by going to our website at [www.jonats4africa.org](http://www.jonats4africa.org) and following the link to the newsletter page at <http://www.jonats4africa.org/newsletters.html>. When visiting the site why not stay and browse for a while.

While staying in a rural village Wes took a photo of this old car. Apparently, old cars never die. They just discover another purpose in life. This old car has become useful as a storage bin for firewood. Here is an example of recycling....African style!

While it is amusing to see this piece of rusted, twisted metal has not outlasted its usefulness, it is even more amazing that every one of us can continue to find meaning and purpose in life through our personal relationship with Jesus Christ. He really is the God of a second chance and for many of us, a third, fourth and greater chance! May you have an awesome, purpose-filled week!

Until next week,  
Wes, Lorrie, Tembi & Karis Jonat
