Dear partners in missions:

Greetings in the name of our Lord Jesus. Trusting that you are all fine.

Summer is here and for many, time to rest and maybe to have the opportunity to spend more time with the family, relatives and friends. Also, I would say, to spend special time with our Lord Jesus, our main and daily resource for life.

It is our desire that you may have good summer and also that your strength be renewed in Him.

First of all, we want to express our thanks for the good visit of Bro Randall Corey and wife, sis. Judy, of Atlantic Missions in April; we do appreciate their effort to be with us, and also to minister to our congregation, where they had the opportunity to have a first hand view of what the Lord is doing in our midst. I would say also, that they had the opportunity to see the need of this Spanish society which, as all the other western ones, has become sceptical and nihilist. May God bless them and all those who are involved and committed to this missions endeavour.

Thank you also for all the greetings sent with them.

As far as our ministry, we continue to be concentrated in the training of lay people in our congregation in order raise leaders in the cell groups context. It takes 3 trimesters, as the course we are using relate the person to a several aspects to minister in such an environment.

At the same time brings together to a closer relationship among those who are already helping in the different areas of ministry in the church.

We started in october/06 and we are seeing that it has become a positive move for our church here.

Again, please remember in your prayers all this, as the banner the whole idea related to this is : "...*The harvest truly is plenteous, but the labourers are few. Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest*" *St Matthew 9: 37-38.*

The other aspect of the work here that is a big concern for us, is the fact of the need of a larger church facilities, as the ones we have become small; at this point, we are praying and raising funds for that purpose. We shall be also appreciating you prayers for this.

We are all fine in our family; our sons labouring with us as a team and we thank the Lord for that.

Thank you also for all your support and concern throughout the years and it is our desire that the good hand of God continue to be upon you all.

In Him,

Armando&Consuelo Forero
