

**IT IS GOOD TO PRAISE THE LORD AND MAKE MUSIC TO YOUR NAME, O MOST HIGH, TO PROCLAIM YOUR LOVE IN THE MORNING AND YOUR FAITHFULNESS AT NIGHT. FOR YOU MAKE ME GLAD BY YOUR DEED, O LORD, I SING FOR JOY AT THE WORKS OF YOUR HANDS. HOW GREAT ARE YOUR WORKS, O LORD, HOW PROFOUND YOUR THOUGHTS! PSALM 92:1, 2, 4.**

I received my visa to go to Burkina this week meaning all is now in place for my return. I just sat in my chair with a heart full of thanksgiving and joy, my heart so overwhelmed at all He has done and is doing. I thank God for His favor around me and that He has chosen me to serve Him in Burkina and for you who make that possible. Praise God for the great things that He has done!

How wonderful it is to be going back to Burkina! My departure date is Feb. 12 to Toronto and then arriving in Burkina Feb. 14<sup>th</sup>. Thanks for your prayers, your encouragement and your support to me while I've been home in Canada and in many of your homes and churches. I thank God for you!

**Would you pray for :**

- Burkina-this country has gone through civil unrest and now facing famine as they had no rains this past year. I am thinking so much this week of how I will soon leave this country of abundance to be with people who are hungry and have faced such struggles during the past year.
- For me that God would make me a blessing- to know when to speak and how to help those who are discouraged and hurting. I pray that through Christ I could spread everywhere the fragrance of the knowledge of Him.
- That I'll be ready to leave? - I am always running behind and I still need to put things in storage, to pack my suitcases as well as a lot of paper work to be done before Feb. 12.
- For safety as I travel, for my luggage to arrive and for Pascal's safety as he comes to Ouaga with the truck to meet me?

My email address will change to [pollygammie@yahoo.ca](mailto:pollygammie@yahoo.ca) until I can reinstall my Burkina email address. My prayer for you, for myself and Burkina is Psalm 91. Thanks for praying ...may God bless you!
