

## **Garth & Myrna Knapp – Servant Ministries**

**Garth & Myrna Knapp** were on a two-week missionary endeavor, teaching church leadership in Mexico in 1999, when the burden to ministry on an international level was born and kept growing. Thus, in the process of time, they resigned from pastoral leadership at Full Gospel Tabernacle in Calgary as of September 2000, and **Servant Ministries** came into being. They continue to reside in Calgary.

During the past 7 ½ years, they have become increasingly involved in this “spiritual task”. Sometimes Myrna accompanies Garth and at other times he travels alone. This ministry includes teaching pastors, spiritual leaders, bible colleges and congregations on overseas fields. Some of the countries included in these endeavors are in Asia, Africa, and Central America, also in Mexico, Spain, Malta and the West Indies.

They consider it a great honour and a humbling privilege to see God working through His Word that is taught/preached, and to see people spiritually changed, saved, healed and encouraged. They have been greatly impressed and inspired by the work of pioneer missionaries, who through many adversities and challenges have laid excellent biblical foundations which continue to bear fruit to the present. The Knapp’s travels have taken them to many poverty-stricken countries, but in those places people have a great hunger for the ministry of the Word. They don’t have most of the amenities we enjoy in Canada – therefore, God is looked to as their Source.

Garth & Myrna ask you to partner with them in prayer for much wisdom as they adjust to each culture they find themselves in. They also ask for your prayers for traveling protection and health, and a great anointing on God’s Word as it is ministered.

*“The entrance of Your Word brings light....”* Psalms 119:130
