

Missionary Prayer Connection

We have been ministering in the city of Puebla, in Puebla Mexico for the past 23 years. Puebla is a city with over two million people living in it, and is one hundred and twenty kilometers south east of Mexico City. We have a new church building in an area that is very difficult to reach as there is a lot of witchcraft and demonic influences. But we have made in roads and we are slowly reaching out to the people and there has been some positive results from our outreach in the area.

We have started leadership training in the church to prepare others to take positions of responsibility in the church, and the people who are attending are growing. I have also included a recent picture of us.

Here are some prayer requests:

1. We need people who can play musical instruments and lead in the worship service.
2. Pray for our health and our ministries.
3. Pray that leaders will be raised up for the work of the Lord.
4. Pray that sufficient funds will come in so that we can finish the second floor of the church.
5. Pray that God would pour out His Holy Spirit over the country of Mexico and especially in the city of Puebla.

In Christ,

Bob and Maria Elena Livingstone
