Dear Orphan Care Sponsor:

We give you a heartfelt thank you for your support of this ministry! We are able to help four communities as they minister to the orphans in their midst. These feeding stations primarily provide daily meals that are nutritious and filling to supplement the regular diet. Often, these are the only meals that these children receive.

As we are able, the funds also go toward helping with education costs for school registration, books and clothes.

Currently there are two feeding stations built and one being constructed this spring. Your concern and willingness to share your resources to help an orphan touched the heart of God.

“At the end of every third year, gather the tithe from all your produce of that year and put it aside in storage...for the orphan and the widow...that way they'll have plenty to eat and God, your God will bless all your work.” (Deuteronomy 14:28-29)

“Stop doing wrong, learn to do right! Seek justice, encourage the oppressed. Defend the orphan, plead the case of the widow.” (Isaiah 1:16b-17)

meals, organize games for the kids and who teach Bible lessons.

In some communities, these teams consist of people from other churches and also non-Christians. They have joined these teams because they see that the ‘ministry’ of the local churches are affecting the issues that affect the community where they live. Praise God!

Continue to pray – continue to give.

God bless you,
