## ACOP MISSIONARIES

**Greg & Kim Cooper**

We are short term missionaries to Zimbabwe. I (Greg) am from Calgary, AB and my wife Kim is from Camrose, AB. Kim attended Bible College at FGBC in Eston, SK and Greg attended Bible College in Calgary at Rocky

Mountain College. We were married on August 17, 2002. Throughout our lives both Kim and I have been very involved in ministry and missions. Kim and I both felt the call to missions even before we were married and after that we felt the call of God stronger. Through different opportunities the door opened for us to come to Zimbabwe. Rev. Emmanuel Zihove invited us to come and work under his ministry here and everything fell into place. We have now been here for almost a year now and we are having a great time. Kim is heavily involved in Children's Ministry, heading up our churches children's program while I am working with worship. We are both doing a lot of administration for the ACOP of Zimbabwe and Emmanuel's church, working on finding land to build a church on as well as planning the Easter Conference. We have been really blessed this year through our work but mostly through the people we have met and friends we have made. It has not been a picnic but we know that this year was laid out for us by God and we would not want it any other way. We want to live our lives in the will of God and go where He leads us. God Bless.

We at ACOP are praying for our Missionaries & invite you to join us for the

following needs:
