

Raise the Roof II - 2011

JANUARY 2011

In 2011 ACOP Canada, and Churches around continental Africa came together to unite in the purpose of expanding the local church. Through generous contributions made by individuals, churches, and corporations, funds were raised to put roofs on churches in Burkina Faso, Mozambique, The Democratic Republic of Congo, Zambia, and Rwanda. While ACOP Canada had the honor of partnering in the Gospel and what God is doing in these growing churches across Africa, these churches lead the way by taking the great leap of faith in filling in the walls and floors with concrete, brick and wood.
